 - e. **Tennis usage last June was 217 last year, and 541 this June.**
 - f. **Tennis usage 569 last July, and this year we have ____? No tally given.**
 - g. **We want to make sure membership is here to see the BOD will vote of court 4.**
 - h. **BOD will look at numbers, so what other factors will take place.**
 - i. **Only 13 days of the season were all the courts full on court 5.**
 - j. **PB could convert them to additional PB courts.**
 - k. **We looked at the numbers, discussed the issues, and general consensus was that tennis committee is opposed taking over court 4.**
