

**Clubhouse Committee Meeting Agenda**  
**Thursday, January 9, 2020, 3:00 PM**

I. Called to order at 3:00 PM

II. Motion was made by Kristy Cox and seconded by Gary Hobbs to approve the Minutes of November 21, 2019 as presented.

**III. Old Business:**

**A. Santa's Workshop – how did it go?**

1. It was a success! The teachers Jenny Reynolds, Robyn Greer, and Terianne Bottomley were very organized, and there were a variety of crafts that were innovative and fun. All children were engaged, and parents/grandparents worked with their children.
2. The selfie station contained a lot of props that were very popular.
3. Terianne was in charge of engaging games on the ping pong tables.

**B. New Year's Eve party:**

1. How did it go?
  - a. 110 tickets were sold, and there were only 2 waitresses.
  - b. Some people were not served until everyone else had completed their meals
  - c. Food did not come out fast enough, and some of the food, such as salmon, was dry from being under warmers while prime rib was cooking.
  - d. Salads were not given to guest in a timely manner.
  - e. Too many people from the bar, who had not paid, made music requests of DJ and took over the dance floor.
  - f. Bar patrons, who did not pay, took glasses of champagne and party favors, etc. from the paying guests.
  - g. Closing was 1:00 AM, the DJ started breaking down at midnight, and security was booked until 2:00 AM.
  - h. Music was not always appropriate such as “Beastie Boys,” etc.
  - i. Cloth Napkins didn’t arrive until the day of the event—after Jason picked them up and delivered them to the clubhouse.
2. Suggestions for next year?
  - a. State it’s a private party, and bar patrons cannot join the private party.
  - b. Have areas stationed off with “stanchions” guiding bar patrons away from party.
  - c. Post signs stating “Private Party.”
  - a. State “No toddlers or children” on tickets and flyers.
  - b. Wristbands may be used to distinguish paying customers from nonpaying customers
  - c. Post “adults only” or “21 and older” on tickets and flyers next year.
  - d. Have a mini bar in the restaurant.
  - e. Sell drink tickets, and then cocktails could be served without time consuming cash register issues.
  - f. Floaters can bus, fill water, remove dishes, etc.
  - g. Prime rib is difficult to serve when it’s prepared to order.
  - h. Pick menu items that are easier to cook and served quickly.

- i. We want people to remember dining at clubhouse as positive experience, or they will not return.
  - j. Maybe we can have buffets for the main course—instead of table service. Salads, drinks, and dessert could be delivered by waitresses.
  - k. Seating with friends and family may be too difficult. We could make seating first come; first choice of tables, and no tables would be reserved.
  - l. It was decided that the committee will continue to do assigned seating for dinner/dance events.
  - m. Discussion of clubhouse committee purchasing or renting napkins for events. Katherine Sansone will check with her source for used napkins. Mike Stebbins will check into the possibility of Clubhouse Committee renting the napkins instead of going through Jason. Possible colors: Pastels, White and Black. If purchased, the committee members could all take the napkins home to wash.
3. Chuck Wagon Dinner/Dance: Saturday, September 12, 2020. Clubhouse Committee will only host events at clubhouse.
- a. Carolyn may not want to have the event—if it cannot be held outside. We could move the golf carts and use both sides of the patio by bar and by BBQ pits.

#### **IV. Upcoming Events:**

- A. Chili Cook-Off: Saturday, January 18, 2020. Joanne Ness & Cheri McCrimmon.** Limited number of tickets will be sold at door for \$7.00 per ticket.
- 1. Eight people are signed up to bring chili.
  - 2. Jeff Lemons met with Joanne and Cheri to explain circuit layout of clubhouse. Main dining room is one circuit, kitchen side of casual area another circuit and bar side of casual area the third circuit. Some of the chili may need to be put on the overflow side of dining room to prevent circuits from blowing out.
  - 3. Jeff Lemons suggested three crock pots on each side of overflow area, or use extension cord to “borrow” power from bar side of casual area to allow up to six/seven in main dining room.
  - 4. Approximately twenty people per crockpot. If we have 9 chili cookers, we could sell 200 tickets.
  - 5. Margo will supply the judging sheets and gift certificates for 1<sup>st</sup> and 2<sup>nd</sup> place.
  - 6. Table numbers will be used for each pot of chili.
- B. Super Bowl LIV Party: Sunday, February 2, 2020 Potluck. Lead: Diane Rudgers**
- 1. Food set up in the bar and more could be set up in overflow room
- C. Chowder Cook-Off: Saturday, February 15, 2020. Lead: Cheri McCrimmon**

  - 2. Gift certificates for 1<sup>st</sup> and 2<sup>nd</sup> place.
- D. Putt-Putt Contest: Saturday, February 29, 2020: Potluck. Lead: Scott Devereaux and Mike Stebbins**
- 1. Scott has golf holes for nine holes.
  - 2. Talk to maintenance regarding setup.
  - 3. A flyer has been created. Event starts at 2:00 PM. Adults only.
