

## 2018 SUMMER CONCERT SERIES

June 24 - Sun 7-9 pm      **Steel Breeze** – Please welcome this long established popular group that plays #1 hit songs from the 80's, 90's and into the 21<sup>st</sup> century. They will get you out of your seats to dance and sing. Having a good time is their number one priority!

July 1 - Sun 7-9 pm      **Indigenous** – A Native American blues/rock group that you will rock the evening with a selection of originals and a few covers of blues classics. Indigenous front man, Mato Nanji, is one of America's premiere blues guitarists along with his band that consists of Levi Platero on guitar, Bronson Begay on bass, and Douglas Platero on drums. Their talent is breathtaking!

July 8 - Sun 7-9 pm      **Decades** – An excellent cover band from Chico, California that plays hits from Chuck Berry to Kate Perry. A great dance band that will keep you saying, "One more song!" Welcome them to Almanor for their first time!

July 15 - Sun 7-9 pm      **Chance McKinney** – A Country Music Television award winner that just happens to be in the area and will be making a Sunday night stop at our beautiful Lake Almanor for one special night. This independent singer/songwriter won CMT's Music City Madness, and has been on tour with Blake Shelton, Luke Bryan, Dierks Bentley, Lynyrd Skynyrd, and many more. Dust off those cowboy boots and get ready for a real country treat. They were a big hit last year and we are fortunate to get them back again this summer.

July 22 - Sun 7-9 pm      **Beatles Flashback** – A great Beatles tribute band that were here last year and back again for an encore! Enjoy a trip back in time when life was a little simpler. Can you still remember the lyrics? Many of their fans say, "They are just downright fun!"

July 29 - Sun 7-9 pm      **The Blues Monsters** – Have been taking center stage for over 20 years! A red-hot rockin' blues band from the North Lake Tahoe and Reno Area. It is amazing to find such a powerfully unique combination of R&B, funk, jazz and Chicago-style blues high in the Mountains. They are bringing along a little surprise so make sure you do not miss their Sunday night performance.

August 4 - Sat 7-9 pm      **Inspector 71** – They are Sacramento's rock band that loves to dance and loves to see the crowd dancing. Bring your dancing shoes and be ready for a dose of high energy! Maybe consider moving your Sunday tee time back to early afternoon.

August 11 - Sat 7-9 pm      **Second Time Around** – An "Allman Brothers" cover band that will bring to our Lake Almanor stage an evening of "southern rock." A west coast favorite for those that appreciate the tunes from a Rock n' Roll Hall of Fame band. Duane and Gregg are no longer with us but their music lives on.

August 18 - Sat 7-9 pm      **VooDooDogz** – They have been playing blues in the Reno area for several years. They are a powerhouse quartet consisting of Don Carpenter on bass, Danny Mikeal on guitar, Bene' Michael vocals and Dave Tuck drums. They are a band that likes to keep things moving and there is almost no banter between songs. Their sets are tight with lots of variety.

August 25 - Sat 7-9 pm      **Northern Traditionz** – Is spawned from the Chico local band Esoteric (Metal/Reggae). We have crossed into the realm of country rock to expand our fan base and to learn and perform an additional genre of original music. In the years we have been performing, we have opened for acts such as David Allen Coe, Clint Black, The Fried Brothers, Lucky Tubb and many more. They are a local favorite and always enjoy playing at the band shell.

September 2 - Sun 7-9 pm      **Thunder Cover** – Returns from last summer and is one of the most energetic and fun cover bands you will ever see. Be prepared for a high-energy show and a unique set that features some of the biggest hits of all time. Everything from The Beatles to Foo Fighters. From Michael Jackson to Maroon 5. From Tom Petty to Justin Timberlake. From the Eagles to Nirvana. Our large Labor Day crowd will enjoy their high energy and popular selection of material for their performance.
